

GRIND SMART GRIND FAST

F64 EVO

Fiorenzato

ITALIAN COFFEE GRINDERS
SINCE 1936

OVERVIEW

The F64 EVO offers a smooth, superfast grind, for demanding operating conditions. This tech-rich smartgrinder, which features a humidity indicator, comes with an in-built fan, ensuring the blades are always running cool and the resulting grounds are at optimum consistency.

With an aesthetic that oozes Italian class in a selection of stylish colours, your F64 EVO will undoubtedly pack a punch on any countertop, and with low operating noise, will do without disturbance. Cut from heavy cast steel, and with supremely durable parts, it's a piece of kit that feels tough to the touch.
