

PLUS 4 YOU TS

The Astoria Plus 4 You TS - One of the models belonging to the Astoria high range which stands out for its dynamic and energetic lines which enhance the excellent performance in terms of quality in the cup and energy savings.

Energy Saving - *Plus 4 You is a machine from Astoria's Green Line: these machines have a low environmental impact and can reduce consumption by up to 47.6%* compared to traditional coffee machines.*

Design - *A resonant and powerful style and dynamic lines that alternate volumes and spaces as well as sensuous curves and imposing lines with a unique overall result: the design diffuses refinement and at the same time underlines the components of high technology that is the driving force of Plus 4 You.*

Quality - *This is ensured by an innovative control system that manages the single groups in all phases of coffee extraction, from pre-infusion to dispensing.*

Flexibility - *Plus 4 You fully satisfies the needs of the roaster and of the barista. They will thus both guarantee their client an excellent product in the cup thanks to a machine that can be set up based on the characteristics of every blend or coffee.*
